New event a great success

by Brad Collins

On Saturday 26th the Skye & Lochalsh Rally Club held their time trial on the Kerrow Hills to great success. From all reports it was a great success and was very popular with club members, locals & visitors alike.

The feedback that I have heard is that everyone is really excited about having this event held again in the future and from what I saw can only grow and lets hope become a regular large event for all the family.

If you did miss out this time, keep an eye out for details of the next time trial.

At the end of a busy week or maybe its half way through and you are tired and want an easy meal.

Give us a call at the shop and we can cook you a piping hot pizza.

The season ends

As the nights get longer and the tourists head home another busy season draws to a close. This year seemed to be quite a busy one from all accounts but now its time to take stock, maybe have a wee break and then begin the preparations for next year. At the end of this month the Coach House Café will be closing for a well earned break as will the Bog Cotton Café.

For those that have not heard Sheila has decided to hang up her apron and move on to other ventures so we wish her all the best of luck in whatever it is she decides to do in the future and hopefully before next season we can welcome someone new to the café.

A Coup for the SMG

Well done to the Strathglass Marketing Group. Along with a host of other sponsors in May next year they are helping to organise the annual Glen Affric Duathlon but 2018 will see support of the event offered from none other than Red Bull themselves. This will be a major boost to the event and help ensure its ever increasing success.

Red Bull will join SPAR UK, Ace Surfacing, William Gray, Cannich Stores, Cannich Camping & Caravan Park, 3 Glens Internet, Fionnar and of course the Strathglass Marketing Group themselves for the 2018 event which is sure to be bigger and better than ever before.

In a small community such as ours support and sponsorship from various companies and businesses is imperative and of course support from all members of the community in any way they can is also required, without the help from businesses and the attendance of the community these events will simply cease to be and none of us want that.

Be it the Duathlon or any other community run event; without the community support we will lose these events and the facilities that we rely on for them such as the hall so please where you can support all the events that you see even if it is just to attend them from time to time.

Whilst on the subject of support and sponsorship a big THANK YOU also must go to JFH Designs of Inverness. All of the children at Cannich Bridge will be sporting brand new Hi-Viz vests due to their generosity.

Party time? Entertaining? We have you covered with our new ranges.

Don't feel like cooking? Why not phone us and get a piping hot Pizza made fresh for you.

Maybe you are having guest around or family visiting, talk to us about having it catered. We can do all types of platters for your party at great prices.

We are happy to tailor the platter for your guests, so if you are planning a party for the kids a bash for the adults or simply just getting together for the sake of catching up with friends we can help.
