Congratulations Sam & Gavin

by Brad Collins

Congratulations to Samantha Noble & Gavin Thom who got themselves married on 17th November.

A beautiful wedding with a spectacular bride on a misty Saturday in Cannich saw the couple exchange vows in what will be the last wedding to be held in the Church of Scotland in Cannich.

A beautiful sit down dinner was provided in the afternoon followed by a more informal affair in the evening that was enjoyed by all. And went well in to the wee hours for many.

We wish them both all the happiness in the world and for a long and successful marriage together.

Whisky of the Month

Relaunched in 2013, Black Bottle Blended Scotch whisky now features a balanced mix of fruitiness and spice alongside the peaty Islay notes that the brand has been known for.

This change in direction is a return to Black Bottle's past, as it is said to have been inspired by what the whisky was like when it was made all the way back in 1879.

This has also inspired the new old-style black glass bottle, which gave the whisky its name.

Community Spirit:

The iPaper recently published a poll stating that more than a third of all Britons do not feel part of their community and followed with this top 10 list of things that can improve community spirit. Fortunately for all of us I think we can tick off most (if not all) of the things in their list.

1. Saying Hello to each other
2. Cleaning up after their dog
3. Lack of litter
4. Activities for younger people
5. Places to socialise
6. Low crime rates
7. Good local services
8. Local Jobs
9. A decent Pub
10. Support for local businesses

It's a good feeling to know we are better off and more community minded than the rest, its what make this such a great place to live
